

Collectable Prints

SUPPORT THE NCPA FOUNDATION

The NCPA Foundation is pleased to announce the latest in a series of signed, limited-edition art prints created by pharmacist Larry Wamble. The 2007 print, a tribute to the profession of pharmacy, is truly exciting and one you will be proud to display in your home or office.

PROCEEDS FROM THE SALES support the NCPA Foundation, a nonprofit 501(c)(3) organization established in 1953 to honor former NARD Executive Secretary John W. Dargavel. Contributions to the NCPA Foundation are tax-deductible to the extent permitted under federal tax law. The Foundation supports the growth and advancement of independent community pharmacy through low-interest educational loans and scholarships to pharmacy students in need, critical research and programs to improve the success of independent pharmacy, and financial assistance to community pharmacy owners for their recovery in the event of disaster, accidents, illness, or adverse circumstances.
