Be a Hero:

Sign up to conduct a donor
drive at your pharmacy

More than 1,000 individuals have been added to the National Bone Marrow Registry from donor drives conducted at independent pharmacies nationwide. **And a life has been saved as a result of a donor match!**

You can join the fight against leukemia and help save many more lives.

Please email ncpaf@ncpanet.org or call **703-838-2653** if you would like to help recruit donors. The NCPA Foundation and DKMS, the world's largest and most experienced bone marrow donor center, are coordinating the donor drive.

A Life Saved. **Thank you!**

DID YOU KNOW?

- Each year, nearly 140,000 people are diagnosed with leukemia, lymphoma, and other blood cancers.
- More than 70% of these patients must rely on an unrelated donor to offer them the precious gift of life. **There is especially a need for ethnic and minority donors.**
- Children are the group most widely affected by leukemia, and a blood marrow transplant may be their only hope for a second chance at life.

About Us

Achievements

Scholarships: Over \$80,000 in scholarship aid recently was awarded to high-achieving NCPA student members with a demonstrated interest in independent pharmacy.

Disaster Relief: In partnership with the Pharmacists Mutual Foundation, the NCPA Foundation is creating a centralized online resource and call center to coordinate a disaster sufferer's immediate and long-term needs. These efforts will expand the NCPA Foundation's current disaster program to address preparedness, response, and recovery.

Health Programs: Over 1,500 bone marrow donors recruited during annual donor drives at community pharmacies, resulting in several donor matches.

Ownership: Developing the next generation of owners through the Good Neighbor Pharmacy NCPA Pruitt-Schutte Student Business Plan Competition. Some former participants have already realized their dream of ownership!

All made possible by donations from individuals and corporations.

Thank you PCCA for generously providing a matching donation grant.

GOOD NEIGHBOR PHARMACY NCPA PRUITT-SCHUTTE STUDENT BUSINESS PLAN COMPETITION

In 2004, the National Community Pharmacists Association and NCPA Foundation established the Good Neighbor Pharmacy NCPA Pruitt-Schutte Student Business Plan Competition. Their goal was to plant seeds in the minds of pharmacy students to start their own businesses. The Business Plan Competition is named to honor two great champions of independent pharmacy: Neil Pruitt, Sr. and H. Joseph Schutte.

Competitors present their business plans during the NCPA Annual Convention in front of a live audience, and the judging panel is comprised of pharmacy owners and finance leaders. Teams are judged for both their written and live presentations. Several former participants are pharmacy owners today, and that trend continues!

Since the competition's inception, more than 80 pharmacy schools have submitted 315 business plans, and a growing number of schools now incorporate the business plan competition into an elective or required course.
