The center is supported by the NCPA Foundation and the **Pharmacists Mutual Insurance Company**. Visit www.rxdisaster.com to learn more.

YEAR-END DONATION CAMPAIGN

The only way the NCPA Foundation stays relevant, proactively serves the needs of the profession, and continues leaving footprints to lead others is through the generosity of individual and corporate supporters. SCHOLARSHIP PROGRAM

The NCPA Foundation is proud to continue its tradition of encouraging college students who dream of community pharmacy ownership. The Foundation's and Partners in Pharmacy (PIP) scholarship programs help NCPA student members with a demonstrated interest in ownership offset rising tuition costs. This year, the Foundation and PIP are awarding more than \$100,000 in educational aid to NCPA student members. **McKesson** generously supports the NCPA Foundation's scholarship program.
